

The Sponsorship Program

The Sponsorship Program ensures that the major costs involved with the Auction are underwritten, or “sponsored” by groups, companies or individuals. Filling the Sponsorship Levels immediately impacts our overall success, as the costs of venue, catering and printing are covered before the Auction even occurs.

We ask you to help make this program a success again. Enclosed are Sponsorship and Patron Table registration forms, along with an explanatory letter for your prospects. Last year’s Sponsorship Program was a lesson in abundance for many of us, and we are hoping that the seeds of generosity can continue to grow.
